Volga Wins Big Stake.
Lexington, Ky., Oct. 3.—Volga, full
sister to Peter Volga, duplicated the
sister's achievements in making a new
set of records for three-year-old fillies
in winning the three-year-old
trotting division of the Kentucky Fu-
turity, valued at \$14,000 and worth
\$5,500 to the owner, at the Kentucky
Horse Breeders' Association meeting
here today.

The daughter of Peter the Great and
Vergil Belle trotted the third mile in
2:04 1-2, thereby lowering the three-
year-old filly record of 2:05 1-2, made
by Mary Putney in 1909. The fu-
turity last year. In addition, Volga
trotted the three heats in 2:04 1-2,
2:07 and 2:04 1-2, respectively, es-
tablishing a new record for three
heats for three-year-old fillies.

Volga's new mark of 2:04 1-2 not
only is a new record for three-year-
old fillies, but is a quarter of a sec-
ond faster than the fast year-old re-
cord for mares made by Joan in win-
ning the Walnut Hall Cup seven years
ago and equaled by Mary Putney to-
day.

Mary Putney, in winning the first
heat of the 2:06 trot, equalled the
world's record for four-year-old mares
by trotting the mile in 2:04 3-4, when
her mare was set by Joan in 1909, but
it was only a few minutes before Volga's
remarkable mile dimmed the lus-
tre of Mary Putney's time. Joan, who
drove Mary Putney, had little trouble
winning the 2:06 trot, Ross B. taking
second money and Esperanza third.

WORLD'S SERIES OPEN OCT. 7

Boston and Brooklyn Will Meet on Braves' Field in Initial
Game for Premier Baseball Honors—Eligible Players
Announced—Academy Football Schedule—Great Horse
Racing at Lexington.

New York, Oct. 3.—The Boston
American League club and the Brook-
lyn National League club will meet in the
world's series, the opening game of
which will be played on Braves' Field
at Boston next Saturday, October 7.
The teams will remain in Boston over
Sunday and play the second game of
the series there on Monday, Oct. 9.
Weather permitting, after which they
will return to Brooklyn for two games
at Ebbets Field on Tuesday and Wed-
nesday, Oct. 10 and 11. The fifth
and sixth games, if necessary, will be
played on Thursday, Oct. 12 and Fri-
day, Oct. 13, at Boston and Brooklyn,
respectively. Should a seventh game
be necessary to decide the series, the
location of the contest will be de-
cided by the toss of a coin as in past
years.

All these details were arranged at a
meeting of the National Baseball
Commission in this city this afternoon,
but the pennant winner in the Na-
tional League was not known at the
time the commission adjourned and the
same details that applied to Brooklyn
also applied to Philadelphia. The Na-
tionals, before tonight, however, the
victory of Brooklyn over New
York and the defeat of Philadelphia by
the Boston club of the same league clinched
the pennant for the Brooklyn play-
ers and placed them in the position
of National League standard bearers
in the annual contest against the Amer-
ican League.

The meeting of the National Com-
mission was attended by almost the
same number of uncertainty as in the
final hours of the National
League pennant struggle. Originally
it was intended to hold the conference
today but later it was decided to
defer it until tomorrow. President
John K. Tener of the National League
and Chairman Harry Herrmann of the
commission arrived in this city late

last night, but President E. B. John-
son of the American League was not
expected until tomorrow. When he ap-
peared upon the scene early this
morning there was a hurried consul-
tation at which it was decided to hold
the meeting as originally scheduled.
President H. E. Hobbs of the Brook-
lyn club, W. F. Baker of the Phila-
delphia club of the National League,
whose teams were still fighting for
the pennant, and President J. J. Lan-
nin of the Boston Americans were
tentatively summoned and the commis-
sion went into session shortly before noon.

Tentative arrangements already had
been made covering the possibilities of
either Philadelphia or Brooklyn in the
National League being the opponents
of the Boston Americans and the
schedule of world's series games was
arranged after a short discussion.
President Lannin suggested that the
series be opened at the park of the
Boston Nationals, where the Ameri-
can League will stage all their
games, owing to its immense seating
capacity, instead of deciding the place
also applied to the Philadelphia club's
toss of a coin. This plan was adopted
in view of the fact that both the
New York and Philadelphia clubs re-
quired several days in which to install
additional seats and boxes to accom-
modate the large crowds which will
attend the games.

President Baker proposed that the
series begin on Monday, Oct. 9, but
this was vetoed by the commission as
being an unnecessary delay, as was a
suggestion that the play start Friday,
Oct. 6, on the grounds that the Na-
tional League winner required a day
or two of rest before being flung into
the world's series against the Boston
Red Sox, who clinched their league
pennant two days ago.

The commission also dismissed the
proposal to alternate the games be-
tween the contending cities but de-

FINANCIAL AND COMMERCIAL

MARKET WAS IRREGULAR

But Total Operations Were Again
Above the Million Share Mark.

New York, Oct. 3.—In keeping with
the record of the past four weeks, to-
day's market operations again attained
a total well beyond the familiar
million share mark, albeit a very large
proportion of the whole was contrib-
uted in the final hour, the list then
being most active and broad. The
course of prices was frequently at-
tended by irregularity and indecision,
indicating the rather two-sided char-
acter of the trading.

Much of the market's stability was
derived from the increased demand
for rails, that division displaying more
animation and underlying strength
than recently. Publication of addi-
tional statements of earnings by the
railway companies, nearly all re-
markable for net gains in gross ad-
vance, was of material assistance in that
quarter.

The Canadian group, strangers, cot-
ton, carriers and eastern lines were
one to almost five points higher at
their best, coalers losing some of their
prominence, although Norfolk and
Western made a new record on its
further advance to 140 1-2. There was
impressive buying of Pennsylvania
steel and General Electric, the latter
again largely represented by Crucible
Steel, New York Air Brake, American
and Baldwin Locomotive, General
Electric and Industrial Alcohol and
the paper shares were conspicuous
with gains of two to four points in
international paper and steel, the latter
7 1/8, but closing at 117 1-2, a slight
net loss.

Motors furnished another
maximum on its 3 point advance to
75 1/2, with gains of 5 and 9 points, re-
spectively, for South Porto Rico Su-
gar and General Chemical. The latter
gains in the more active stocks were
shaded 1 to 3 points at the end. Total
sales were 1,169,000 shares.

Bonds were firm to strong, total
sales, par value, \$6,135,000.

U. S. bonds were unchanged on call.

series was delayed until after the out-
come of the National League race was
known and it is probable that the two

right to represent the National

sification of the year. J. G. Taylor Spink,

The umpires will not act in official
capacity while away from home.

After naming the list of eligible
players of the three clubs of anil an-
nouncing that the commission would
meet for further business at 3 p. m.

Bad fielding was responsible for the
home team's defeat in each game.

The teams put up a hard battle in
the first game, but the visitors' errors
were out in the seventh inning. Then,
with Philadelphia leading by 2 to 1,
and Rudolph on second base, Stock
fumbled Fitzpatrick's grounder and
Paskett also fumbled the ball, Rudolph
scoring. Doubles by Konechey and

the inning. Rudolph held Philadelphia
safe in the closing inning.

of the runs made by Mayer, while
